### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The invention as claimed is not disclosed or rendered obvious in view of the prior art of record. Even the closest prior art (Patents to Kelly, Jr. et al., Crockett, DeWitt et al., Anderson et al., Lozano et al., Evslin et al., and Delano et al.) of record fail to teach or suggest, alone or in combination, the claimed method, apparatus, and logic for generating a route plan based on both the routing options and the selected gateways for supporting routing of telephone calls from managed devices of the tenant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Harry S. Hong whose telephone number is (571) 272-7485. The examiner can normally be reached on Wednesdays off.
